The distance from the Gulf to N Orleans is 543 Miles	100

This is a detailed historical map of the Mississippi River and its surrounding regions. The river is shown in a prominent blue color, winding from the top of the map (north) down to the bottom (south), where it empties into the Gulf of Mexico. The map includes state boundaries and names for Missouri, Arkansas, Louisiana, Illinois, Kentucky, Tennessee, and Mississippi. Major cities and towns are labeled, including St. Louis, Memphis, Cairo, and New Orleans. The map also shows the Gulf of Mexico and the Atlantic Ocean. The map is oriented with North at the top.
